

PENAL CODE

Crimes—How Divided

16. Crimes and public offenses include:

1. Felonies;
2. Misdemeanors; and
3. Infractions.

(Amended Ch. 1192, Stats. 1968. Operative Jan. 1, 1969.)

17. (a) A felony is a crime which is punishable with death or by imprisonment in the state prison. Every other crime or public offense is a misdemeanor except those offenses that are classified as infractions.

(b) When a crime is punishable, in the discretion of the court, by imprisonment in the state prison or by fine or imprisonment in the county jail, it is a misdemeanor for all purposes under the following circumstances:

(1) After a judgment imposing a punishment other than imprisonment in the state prison.

(2) When the court, upon committing the defendant to the Youth Authority, designates the offense to be a misdemeanor.

(3) When the court grants probation to a defendant without imposition of sentence and at the time of granting probation, or on application of the defendant or probation officer thereafter, the court declares the offense to be a misdemeanor.

(4) When the prosecuting attorney files in a court having jurisdiction over misdemeanor offenses a complaint specifying that the offense is a misdemeanor, unless the defendant at the time of his or her arraignment or plea objects to the offense being made a misdemeanor, in which event the complaint shall be amended to charge the felony and the case shall proceed on the felony complaint.

(5) When, at or before the preliminary examination or prior to filing an order pursuant to Section 872, the magistrate determines that the offense is a misdemeanor, in which event the case shall proceed as if the defendant had been arraigned on a misdemeanor complaint.

(c) When a defendant is committed to the Youth Authority for a crime punishable, in the discretion of the court, by imprisonment in the state prison or by fine or imprisonment in the county jail, the offense shall, upon the discharge of the defendant from the Youth Authority, thereafter be deemed a misdemeanor for all purposes.

(d) A violation of any code section listed in Section 19.8 is an infraction subject to the procedures described in Sections 19.6 and 19.7 when:

(1) The prosecutor files a complaint charging the offense as an infraction unless the defendant, at the time he or she is arraigned, after being informed of his or her rights, elects to have the case proceed as a misdemeanor, or;

(2) The court, with the consent of the defendant, determines that the offense is an infraction in which event the case shall proceed as if the defendant had been arraigned on an infraction complaint.

(e) Nothing in this section authorizes a judge to relieve a defendant of the duty to register as a sex offender pursuant to Section 290 if the defendant is charged with an offense for which registration as a sex offender is required pursuant to Section 290, and for which the trier of fact has found the defendant guilty.

(Amended Sec. 1, Ch. 960, Stats. 1998. Effective January 1, 1999.)

Punishment for Infractions

19c. An infraction is not punishable by imprisonment. A person charged with an infraction shall not be entitled to a trial by jury. A person charged with an infraction shall not be entitled to have the public defender or other counsel appointed at public expense to represent him unless he is arrested and not released on his written promise to appear, his own recognizance, or a deposit of bail.

(Added Ch. 1192, Stats. 1968. Operative January 1, 1969.)

Application of Provisions of Law to Infractions

19d. Except as otherwise provided by law, all provisions of law relating to misdemeanors shall apply to infractions, including but not limited to powers of peace officers, jurisdiction of courts, periods for commencing action and for bringing a case to trial and burden of proof.

(2) When the battery specified in paragraph (1) is committed against a peace officer engaged in the performance of his or her duties, whether on or off duty, including when the peace officer is in a police uniform and is concurrently performing the duties required of him or her as a peace officer while also employed in a private capacity as a part-time or casual private security guard or patrolman and the person committing the offense knows or reasonably should know that the victim is a peace officer engaged in the performance of his or her duties, the battery is punishable by a fine of not more than ten thousand dollars (\$10,000), or by imprisonment in a county jail not exceeding one year or in the state prison for 16 months, or two or three years, or by both that fine and imprisonment.

(d) When a battery is committed against any person and serious bodily injury is inflicted on the person, the battery is punishable by imprisonment in a county jail not exceeding one year or imprisonment in the state prison for two, three, or four years.

(e) (1) When a battery is committed against a spouse, a person with whom the defendant is cohabiting, a person who is the parent of the defendant's child, former spouse, fiancé, or fiancée, or a person with whom the defendant currently has, or has previously had, a dating or engagement relationship, the battery is punishable by a fine not exceeding two thousand dollars (\$2,000), or by imprisonment in a county jail for a period of not more than one year, or by both that fine and imprisonment. If probation is granted, or the execution or imposition of the sentence is suspended, it shall be a condition thereof that the defendant participate in, for no less than one year, and successfully complete, a batterer's treatment program, as defined in Section 1203.097, or if none is available, another appropriate counseling program designated by the court. However, this provision shall not be construed as requiring a city, a county, or a city and county to provide a new program or higher level of service as contemplated by Section 6 of Article XIII B of the California Constitution.

(2) Upon conviction of a violation of this subdivision, if probation is granted, the conditions of probation may include, in lieu of a fine, one or both of the following requirements:

(A) That the defendant make payments to a battered women's shelter, up to a maximum of five thousand dollars (\$5,000).

(B) That the defendant reimburse the victim for reasonable costs of counseling and other reasonable expenses that the court finds are the direct result of the defendant's offense.

For any order to pay a fine, make payments to a battered women's shelter, or pay restitution as a condition of probation under this subdivision, the court shall make a determination of the defendant's ability to pay. In no event shall any order to make payments to a battered women's shelter be made if it would impair the ability of the defendant to pay direct restitution to the victim or court-ordered child support. Where the injury to a married person is caused in whole or in part by the criminal acts of his or her spouse in violation of this section, the community property may not be used to discharge the liability of the offending spouse for restitution to the injured spouse, required by Section 1203.04, as operative on or before August 2, 1995, or Section 1202.4, or to a shelter for costs with regard to the injured spouse and dependents, required by this section, until all separate property of the offending spouse is exhausted.

(3) Upon conviction of a violation of this subdivision, if probation is granted or the execution or imposition of the sentence is suspended and the person has been previously convicted of a violation of this subdivision and sentenced under paragraph (1), the person shall be imprisoned for not less than 48 hours in addition to the conditions in paragraph (1). However, the court, upon a showing of good cause, may elect not to impose the mandatory minimum imprisonment as required by this subdivision and may, under these circumstances, grant probation or order the suspension of the execution or imposition of the sentence.

(4) The Legislature finds and declares that these specified crimes merit special consideration when imposing a sentence so as to display society's condemnation for these crimes of violence upon victims with whom a close relationship has been formed.

(2) Every person who, after having been convicted of a felony under subdivision (a), commits a violation of this section shall be punished by imprisonment in the state prison for two, three, or five years.

It is not necessary to prove that the defendant had the intent to actually carry out the threat. The present incarceration of

a person making the threat shall not be a bar to prosecution under this section. ***Constitutionally protected activity is not included within the meaning of “credible threat.”***

(h) For purposes of this section, the term “electronic communication device” includes, but is not limited to, telephones, cellular phones, computers, video recorders, fax machines, or pagers. “Electronic communication” has the same meaning as the term defined in Subsection 12 of Section 2510 of Title 18 of the United States Code.

(Added Sec. 3, Ch. 438, Stats. 1995. Effective January 1, 1996.)

(b) Who solicits or who agrees to engage in or who engages in any act of prostitution. prostitution shall constitute a violation of this subdivision unless some act, in addition to the agreement, is done within this state in furtherance of the commission of an act of prostitution by the person agreeing to engage in that act. (g) When a person has violated subdivision (f) of this section, a peace officer, if he or she is reasonably able to do so, shall place the person, or cause him or her to be placed, in civil protective custody. The person shall be taken to a facility, designated pursuant to Section 5170 of the Welfare and Institutions Code, for the 72-hour treatment and evaluation of inebriates. A peace officer may place a person in civil protective custody with that kind and degree of force which would be lawful were he or she effecting an arrest for a misdemeanor without a warrant. This subdivision shall not apply to those areas of a private business used to count currency or other negotiable instruments.

(2) Any person who uses a concealed camcorder, motion picture camera, or photographic camera of any type, to secretly videotape, film, photograph, or record by electronic means, another, identifiable person under or through the clothing being worn by that other person, for the purpose of viewing the body of, or the undergarments worn by, that other person, without the consent or knowledge of that other person, with the intent to arouse, appeal to, or gratify the lust, passions, or sexual desires of that person and invade the privacy of that other person, under circumstances in which the other person has a reasonable expectation of privacy.

In any accusatory pleading charging a violation of subdivision (b), if the defendant

has been once previously convicted of a violation of that subdivision, the previous conviction shall be charged in the accusatory pleading. If the previous conviction is found to be true by the jury, upon a jury trial, or by the court, upon a court trial, or is admitted by the defendant, the defendant shall be imprisoned in a county jail for a period of not less than 45 days and shall not be eligible for release upon completion of sentence, on probation, on parole, on work furlough or work release, or on any other basis until he or she has served a period of not less than 45 days in a county jail. In all cases in which probation is granted, the court shall require as a condition thereof that the person be confined in a county jail for at least 45 days. In no event does the court have the power to absolve a person who violates this subdivision from the obligation of spending at least 45 days in confinement in a county jail.

In any accusatory pleading charging a violation of subdivision (b), if the defendant has been previously convicted two or more times of a violation of that subdivision, each such previous conviction shall be charged in the accusatory pleading. If two or more of these previous convictions are found to be true by the jury, upon a jury trial, or by the court, upon a court trial, or are admitted by the defendant, the defendant shall be imprisoned in a county jail for a period of not less than 90 days and shall not be eligible for release upon completion of sentence, on probation, on parole, on work furlough or work release, or on any other basis until he or she has served a period of not less than 90 days in a county jail. In all cases in which probation is granted, the court shall require as a condition thereof that the person be confined in a county jail for at least 90 days. In no event does the court have the power to absolve a person who violates this subdivision from the obligation of spending at least 90 days in confinement in a county jail.

(Added Ch. 1096, Stats. 1967. Effective November 8, 1967.)

Bail

815a. At the time of issuing a warrant of arrest, the magistrate shall fix the amount of bail which in his judgment in accordance with the provisions of Section 1275 will be reasonable and sufficient for the appearance of the defendant following his arrest, if the offense is bailable, and said magistrate shall indorse upon such warrant a statement signed by him, with the name of his office, dated at the county, city or town where it is made to the following effect: "The defendant is to be admitted to bail in the sum of ____ dollars" (stating the amount).

818. In any case in which a peace officer serves upon a person a warrant of arrest for a misdemeanor offense under the Vehicle Code or under any local ordinance relating to stopping, standing, parking, or operation of a motor vehicle and where no written promise to appear has been filed and the warrant states on its face that a citation may be used in lieu of physical arrest, the peace officer may, instead of taking the person before a magistrate, prepare a notice to appear and release the person on his promise to appear, as prescribed by Sections 853.6 through 853.8 of the Penal Code. Issuance of a notice to appear and securing of a promise to appear shall be deemed a compliance with the directions of the warrant, and the peace officer issuing such notice to appear and obtaining such promise to appear shall endorse on the warrant "Section 818, Penal Code, complied with" and return the warrant to the magistrate who issued it.

(Amended Ch. 336, Stats. 1980. Effective January 1, 1981.)

821. If the offense charged is a felony, and the arrest occurs in the county in which the warrant was issued, the officer making the arrest must take the defendant before the magistrate who issued the warrant or some other magistrate of the same county.

If the defendant is arrested in another county, the officer must, without unnecessary delay, inform the defendant in writing of his right to be taken before a magistrate in that county, note on the warrant that he has so informed defendant, and, upon being required by defendant, take him before a magistrate in that county, who must admit him to bail in the amount specified in the endorsement referred to in Section 815a, and direct the defendant to appear before the court or magistrate by whom the warrant was issued on or before a day certain which shall in no case be more than 10 days after such admittance to bail. If bail be forthwith given, the magistrate shall take the same and endorse thereon a memorandum of the aforesaid order for the appearance of the defendant, or, if the defendant so requires, he may be released on bail set on the warrant by the issuing court, as provided in Section 1269b of this code, without an appearance before a magistrate.

If the warrant on which the defendant is arrested in another county does not have bail set thereon, or if the defendant arrested in another county does not require the arresting officer to take him before a magistrate in that county for the purpose of being admitted to bail, or if such defendant, after being admitted to bail, does not forthwith give bail, the arresting officer shall immediately notify the law enforcement agency requesting the arrest in the county in which the warrant was issued that such defendant is in custody, and thereafter such law enforcement agency shall take custody of such defendant within five days in the county in which he was arrested and shall take such defendant before the magistrate who issued the warrant, or before some other magistrate of the same county.

(Amended Ch. 645, Stats. 1965. Effective September 17, 1965.)

If the offense charged is a misdemeanor, and the defendant is arrested in another county, the officer must, without unnecessary delay, inform the defendant in writing of his rights to be taken before a magistrate in that county, note on the warrant that he has so informed defendant, and, upon being required by defendant, take him before a magistrate in that county, who must admit him to bail in the amount specified in the indorsement referred to in Section 815a, and direct the defendant to appear before the court or magistrate by whom the warrant was issued on or before a day certain which shall in no case be more than 10 days after such admittance to bail. If bail be forthwith given, the magistrate shall take the same and indorse thereon a memorandum of the aforesaid order for the appearance of the defendant.

If the defendant arrested in another county on a misdemeanor charge does not require the arresting officer to take him before a magistrate in that county for the purpose of being admitted to bail, or if such defendant, after being admitted to bail, does not forthwith give bail, the arresting officer shall immediately notify the law enforcement agency requesting the arrest in the county in which the warrant was issued that such defendant is in custody, and thereafter such law enforcement agency shall take custody of such defendant within five days in the county in which he was arrested and shall take such defendant before the magistrate who issued the warrant, or before some other magistrate of the same county.

If a defendant is arrested in another county on a warrant charging the commission of a misdemeanor, upon which warrant the amount of bail is indorsed as provided in Section 815a, and defendant is held in jail in the county of arrest pending appearance before a magistrate, the officer in charge of the jail shall, to the same extent as provided by Section 1269b, have authority to approve and accept bail from defendant in the amount indorsed on the warrant, to issue and sign an order for the release of the defendant, and, on posting of such bail, shall discharge defendant from custody.

(Amended Ch. 138, Stats. 1965. Effective September 17, 1965.)

829. When a complaint is filed with a magistrate of the commission of a misdemeanor or infraction triable in another county of the state than that in which the magistrate sits, but showing that the defendant is in the county where the complaint is filed, the officer must, upon being required by the defendant, take the defendant before a magistrate of the county in which the warrant was issued, who must admit the defendant to bail in the amount specified in the endorsement referred to in Section 815a, and immediately transmit the warrant, complaint, and undertaking to the clerk of the court in which the defendant is required to appear.

It is the responsibility of the individual officer or designee to maintain his or her eligibility to carry concealable firearms off duty. Failure to maintain quarterly qualifications by an officer or designee with any concealable firearms carried off duty shall constitute good cause to suspend or revoke that person's right to carry firearms off duty.

(e) The Department of Corrections shall allow reasonable access to its ranges for officers and designees of either department to qualify to carry concealable firearms off duty. The time spent on the range for purposes of meeting the qualification requirements shall be the person's own time during the person's off-duty hours.

The authority of a person designated as a peace officer pursuant to this paragraph extends only for the duration of the person's specific assignment. A reserve park ranger or a transit, harbor, or port district reserve officer may carry firearms only if authorized by, and under those terms and conditions as are specified by, his or her employing agency.

(2) Whenever any qualified person is deputized or appointed by the proper authority as a reserve or auxiliary sheriff or city police officer, a reserve deputy sheriff, a reserve deputy marshal, a reserve park ranger, a reserve police officer of a regional park district, transit district, or a school district, a reserve harbor or port police officer of a county, city, or district as specified in Section 663.5 of the Harbors and Navigation Code, a reserve officer of a community service district that is authorized under subdivision (h) of Section 61600 of the Government Code to maintain a police department or other police protection, or a reserve officer of a police protection district formed under Part 1 (commencing with Section 20000) of Division 14 of the Health and Safety Code, and is so designated by local ordinance or, if the local agency is not authorized to act by ordinance, by resolution, either individually or by class, and is assigned to the prevention and detection of crime and the general enforcement of the laws of this state by that authority, the person is a peace officer, if the person qualifies as set forth in paragraph (1) of subdivision (a) of Section 832.6. The authority of a peace officer pursuant to this subdivision includes the full powers and duties of a peace officer as provided by Section 830.1.

(c) Whenever any person is summoned to the aid of any uniformed peace officer, the summoned person is vested with the powers of a peace officer that are expressly delegated to him or her by the summoning officer or that are otherwise reasonably necessary to properly assist the officer.

(Amended Sec. 2, Ch. 1142, Stats. 1996. Effective September 30, 1996.)

830.8. (a) Federal criminal investigators and law enforcement officers are not California peace officers, but may exercise the powers of arrest of a peace officer in any of the following circumstances:

(1) Any circumstances specified in Section 836 or Section 5150 of the Welfare and Institutions Code for violations of state or local laws.

(2) When these investigators and law enforcement officers are engaged in the enforcement of federal criminal laws and exercise the arrest powers only incidental to the performance of these duties.

(3) When requested by a California law enforcement agency to be involved in a joint task force or criminal investigation.

(4) When probable cause exists to believe **that a** public offense that involves immediate danger to persons **or property has just occurred or is being committed.**

In all of these instances, the provisions of Section 847 shall apply. These investigators and law enforcement officers, prior to the exercise of these arrest powers, shall have been certified by their agency heads as having satisfied the training requirements of Section 832, or the equivalent thereof.

This subdivision does not apply to federal officers of the Bureau of Land Management or the Forest Service of the Department of Agriculture. These officers have no authority to enforce California statutes without the written consent of the sheriff or the chief of police in whose jurisdiction they are assigned.

(b) Duly authorized federal employees who comply with the training requirements set forth in Section 832 are peace officers when they are engaged in enforcing applicable state or local laws on property owned or possessed by the United States government, or on any street, sidewalk, or property adjacent thereto, and with the written consent of the sheriff or the chief of police, respectively, in whose jurisdiction the property is situated.

(c) National park rangers are not California peace officers but may exercise the powers of arrest of a peace officer as specified in Section 836 and the powers of a peace officer specified in Section 5150 of the Welfare and Institutions Code for violations of state or local laws provided these rangers are exercising the arrest powers incidental to the performance of their federal duties or providing or attempting to provide law enforcement services in response to a request initiated by California state park rangers to assist in preserving the peace and protecting state parks and other property for which California state park rangers are responsible. National park rangers, prior to the exercise of these arrest powers, shall have been certified by their agency heads as having satisfactorily completed the training requirements of Section 832.3, or the equivalent thereof.

(d) Notwithstanding any other provision of law, during a state of war emergency or a state of emergency, as defined in Section 8558 of the Government Code, federal criminal investigators and law enforcement officers who are assisting California law enforcement officers in carrying out emergency operations are not deemed California peace officers, but may exercise the powers of arrest of a peace officer as specified in Section 836 and the powers of a peace officer specified in Section 5150 of the Welfare and Institutions Code for violations of state or local laws. In these instances, the provisions of Section 847 and of Section 8655 of the Government Code shall apply.

(e) (1) Any qualified person who is appointed as a Washoe tribal law enforcement officer is not a California peace officer, but may exercise the powers of a Washoe tribal peace officer when engaged in the enforcement of Washoe tribal criminal laws against any person who is an Indian, as defined in subsection (a) of Section 450b of Title 25 of the United States Code, on Washoe tribal land. The respective prosecuting authorities, in consultation with law enforcement agencies, may agree on who shall have initial responsibility for prosecution of specified infractions. This subdivision is not meant to confer cross-deputized status as California peace officers, nor to confer California peace officer status upon Washoe tribal law enforcement officers when enforcing state or local laws in the State of California. Nothing in this section shall be construed to impose liability upon or to require indemnification by the County of Alpine or the State of California for any act performed by an officer of the Washoe Tribe. Washoe tribal law enforcement officers shall have the right to travel to and from Washoe tribal lands within California in order to carry out tribal duties.

(2) Washoe tribal law enforcement officers are exempted from the provisions of subdivision (a) of Section 12025 and subdivision (a) of Section 12031 while performing their official duties on their tribal lands or while proceeding by a direct route to or from the tribal lands. Tribal law enforcement vehicles are deemed to be emergency vehicles within the meaning of Section 30 of the Vehicle Code while performing official police services.

(3) As used in this subdivision, the term "Washoe tribal lands" includes the following:

(A) All lands located in the County of Alpine within the limits of the reservation created for the Washoe Tribe of Nevada and California, notwithstanding the issuance of any patent and including rights-of-way running through the reservation and all tribal trust lands.

(B) All Indian allotments, the Indian titles to which have not been extinguished, including rights-of-way running through the same.

(4) As used in this subdivision, the term "Washoe tribal law" refers to the laws codified in the Law and Order Code of the Washoe Tribe of Nevada and California, as adopted by the Tribal Council of the Washoe Tribe of Nevada and California.

(Amended Sec. 4, Ch. 545, Stats. 2002. Effective January 1, 2003.)

830.12. Notwithstanding any other provision of law, persons designated by a local agency as litter control officers, vehicle abatement officers, registered sanitarians, and solid waste specialists, are not peace officers, may not exercise the powers of arrest of a peace officer, as specified in Section 836, and shall not be authorized to carry or use firearms within the scope and course of their employment. These persons may, however, be authorized by the governing board of the particular local agency to issue citations involving violations of laws relating to abandoned vehicles and littering.

(Added Ch. 726, Stats. 1988. Effective January 1, 1989.)

832.3. (a) Except as provided in subdivision (e), any sheriff, undersheriff, or deputy sheriff of a county, any police officer of a city, and any police officer of a district authorized by statute to maintain a police department, who is first employed after January 1, 1975, shall successfully complete a course of training prescribed by the Commission on Peace Officer Standards and Training before exercising the powers of a peace officer, except while participating as a trainee in a supervised field training program approved by the Commission on Peace Officer Standards and Training. Each police chief, or any other person in charge of a local law enforcement agency, appointed on or after January 1, 1999, as a condition of continued employment, shall complete the course of training pursuant to this subdivision within two years of appointment. The training course for a sheriff, an undersheriff, and a deputy sheriff of a county, and a police chief and a police officer of a city or any other local law enforcement agency, shall be the same.

(b) For the purpose of ensuring competent peace officers and standardizing the training required in subdivision (a), the commission shall develop a testing program, including standardized tests that enable (1) comparisons between presenters of the training and (2) assessments of trainee achievement. The trainees' test scores shall be used only for the purposes enumerated in this subdivision and those research purposes as shall be approved in advance by the commission. The commission shall take all steps necessary to maintain the confidentiality of the test scores, test items, scoring keys, and other examination data used in the testing program required by this subdivision. The commission shall determine the minimum passing score for each test and the conditions for retesting students who fail. Passing these tests shall be required for successful completion of the training required in subdivision (a). Presenters approved by the commission to provide the training required in subdivision (a) shall administer the standardized tests or, at the commission's option, shall facilitate the commission's administration of the standardized tests to all trainees.

(c) Notwithstanding subdivision (c) of Section 84500 of the Education Code and any regulations adopted pursuant thereto, community colleges may give preference in enrollment to employed law enforcement trainees who shall complete training as prescribed by this section. At least 15 percent of each presentation shall consist of nonlaw enforcement trainees if they are available. Preference should only be given when the trainee could not complete the course within the time required by statute, and only when no other training program is reasonably available. Average daily attendance for these courses shall be reported for state aid.

(d) Prior to July 1, 1987, the commission shall make a report to the Legislature on academy proficiency testing scores. This report shall include an evaluation of the correlation between academy proficiency test scores and performance as a peace officer.

(e) (1) Any deputy sheriff described in subdivision (c) of Section 830.1 shall be exempt from the training requirements specified in subdivisions (a) and (b) as long as his or her assignments remain custodial related.

(2) Deputy sheriffs described in subdivision (c) of Section 830.1 shall complete the training for peace officers pursuant to subdivision (a) of Section 832, and within 120

days after the date of employment, shall complete the training required by the Board of Corrections for custodial personnel pursuant to Section 6035, and the training required for custodial personnel of local detention facilities pursuant to Division 1 (commencing with Section 100) of Title 15 of the California Code of Regulations.

(3) Deputy sheriffs described in subdivision (c) of Section 830.1 shall complete the course of training pursuant to subdivision (a) prior to being reassigned from custodial assignments to duties with responsibility for the prevention and detection of crime and the general enforcement of the criminal laws of this state.

(f) Any school police officer first employed by a K-12 public school district or California Community College district after July 1, 1999, shall successfully complete a basic course of training as prescribed by subdivision (a) before exercising the powers of a peace officer. A school police officer shall not be subject to this subdivision while participating as a trainee in a supervised field training program approved by the Commission on Peace Officer Standards and Training.

(g) The commission shall prepare a specialized course of instruction for the training of school peace officers, as defined in Section 830.32, to meet the unique safety needs of a school environment. This course is intended to supplement any other training requirements.

(h) Any school peace officer first employed by a K-12 public school district or California Community College district before July 1, 1999, shall successfully complete the specialized course of training prescribed in subdivision (g) no later than July 1, 2002. Any school police officer first employed by a K-12 public school district or California Community College district after July 1, 1999, shall successfully complete the specialized course of training prescribed in subdivision (g) within two years of the date of first employment.

(Amended Sec. 1, Ch. 852, Stats. 1999, Effective January 1, 2000.)

836. (a) A peace officer may arrest a person in obedience to a warrant, or, pursuant to the authority granted to him or her by Chapter 4.5 (commencing with Section 830) of Title 3 of Part 2, without a warrant, may arrest a person whenever any of the following circumstances occur:

(1) The officer has probable cause to believe that the person to be arrested has committed a public offense in the officer's presence.

(2) The person arrested has committed a felony, although not in the officer's presence.

(3) The officer has probable cause to believe that the person to be arrested has committed a felony, whether or not a felony, in fact, has been committed.

(b) Any time a peace officer is called out on a domestic violence call, it shall be mandatory that the officer make a good faith effort to inform the victim of his or her right to make a citizen's arrest. This information shall include advising the victim how to safely execute the arrest.

(c) (1) When a peace officer is responding to a call alleging a violation of a domestic violence protective or restraining order issued under the Family Code, Section 527.6 of the Code of Civil Procedure, Section 213.5 of the Welfare and Institutions Code, Section 136.2 of this code, or paragraph (2) of subdivision (a) of Section 1203.097 of this code, or of a domestic violence protective or restraining order issued by the court of another state, tribe, or territory and the peace officer has probable cause to believe that the person against whom the order is issued has notice of the order and has committed an act in violation of the order, the officer shall, consistent with subdivision (b) of Section 13701, make a lawful arrest of the person without a warrant and take that person into custody whether or not the violation occurred in the presence of the arresting officer. The officer shall, as soon as possible after the arrest, confirm with the appropriate authorities or the Domestic Violence Protection Order Registry maintained pursuant to Section 6380 of the Family Code that a true copy of the protective order has been registered, unless the victim provides the officer with a copy of the protective order.

(2) The person against whom a protective order has been issued shall be deemed to have notice of the order if the victim presents to the officer proof of service of the order, the officer confirms with the appropriate authorities that a true copy of the proof of service is on file, or the person against whom the protective order was issued was present at the protective order hearing or was informed by a peace officer of the contents of the protective order.

(3) In situations where mutual protective orders have been issued under Division 10 (commencing with Section 6200) of the Family Code, liability for arrest under this subdivision applies only to those persons who are reasonably believed to have been the

primary aggressor. In those situations, prior to making an arrest under this subdivision, the peace officer shall make reasonable efforts to identify, and may arrest, the primary aggressor involved in the incident. The primary aggressor is the person determined to be the most significant, rather than the first, aggressor. In identifying the primary aggressor, an officer shall consider (A) the intent of the law to protect victims of domestic violence from continuing abuse, (B) the threats creating fear of physical injury, (C) the history of domestic violence between the persons involved, and (D) whether either person involved acted in self-defense.

(d) Notwithstanding paragraph (1) of subdivision (a), if a suspect commits an assault or battery upon a current or former spouse, fiancé, fiancée, a current or former cohabitant as defined in Section 6209 of the Family Code, a person with whom the suspect currently is having or has previously had an engagement or dating relationship, as defined in paragraph (10) of subdivision (f) of Section 243, a person with whom the suspect has parented a child, or is presumed to have parented a child pursuant to the Uniform Parentage Act (Part 3 (commencing with Section 7600) of Division 12 of the Family Code), a child of the suspect, a child whose parentage by the suspect is the subject of an action under the Uniform Parentage Act, a child of a person in one of the above categories, any other person related to the suspect by consanguinity or affinity within the second degree, **or any person who is 65 years of age or older and who is related to the suspect by blood or legal guardianship** a peace officer may arrest the suspect without a warrant where both of the following circumstances apply:

(1) The peace officer has probable cause to believe that the person to be arrested has committed the assault or battery, whether or not it has in fact been committed.

(2) The peace officer makes the arrest as soon as probable cause arises to believe that the person to be arrested has committed the assault or battery, whether or not it has in fact been committed.

(e) In addition to the authority to make an arrest without a warrant pursuant to paragraphs (1) and (3) of subdivision (a), a peace officer may, without a warrant, arrest a person for a violation of Section 12025 when all of the following apply:

(1) The officer has reasonable cause to believe that the person to be arrested has committed the violation of Section 12025.

(2) The violation of Section 12025 occurred within an airport, as defined in Section 21013 of the Public Utilities Code, in an area to which access is controlled by the inspection of persons and property.

(3) The peace officer makes the arrest as soon as reasonable cause arises to believe that the person to be arrested has committed the violation of Section 12025.

(Amended Sec. 1, Ch. 534, Stats. 2002. Effective January 1, 2003.)

836.5. (a) A public officer or employee, when authorized by ordinance, may arrest a person without a warrant whenever the officer or employee has reasonable cause to believe that the person to be arrested has committed a misdemeanor in the presence of the officer or employee that is a violation of a statute or ordinance that the officer or employee has the duty to enforce.

(b) There shall be no civil liability on the part of, and no cause of action shall arise against, any public officer or employee acting pursuant to subdivision (a) and within the scope of his or her authority for false arrest or false imprisonment arising out of any arrest that is lawful or that the public officer or employee, at the time of the arrest, had reasonable cause to believe was lawful. No officer or employee shall be deemed an aggressor or lose his or her right to self-defense by the use of reasonable force to effect the arrest, prevent escape, or overcome resistance.

(c) In any case in which a person is arrested pursuant to subdivision (a) and the person arrested does not demand to be taken before a magistrate, the public officer or employee making the arrest shall prepare a written notice to appear and release the person on his or her promise to appear, as prescribed by Chapter 5C (commencing with Section 853.5). The provisions of that chapter shall thereafter apply with reference to any proceeding based upon the issuance of a written notice to appear pursuant to this authority.

(d) The governing body of a local agency, by ordinance, may authorize its officers and employees who have the duty to enforce a statute or ordinance to arrest persons for violations of the statute or ordinance as provided in subdivision (a).

(e) For purposes of this section, "ordinance" includes an order, rule, or regulation of any air pollution control district.

(f) For purposes of this section, a "public officer or employee" includes an officer or employee of a nonprofit transit corporation wholly owned by a local agency and formed

to carry out the purposes of the local agency.

(Amended Sec. 3, Ch. 324, Stats. 1997. Effective January 1, 1998.)

847. (a) A private person who has arrested another for the commission of a public offense must, without unnecessary delay, take the person arrested before a magistrate, or deliver him or her to a peace officer.

(b) There shall be no civil liability on the part of, and no cause of action shall arise against, any peace officer or federal criminal investigator or law enforcement officer described in subdivision (a) or (d) of Section 830.8, acting within the scope of his or her authority, for false arrest or false imprisonment arising out of any arrest **under** any of the following circumstances:

(a) The arrest was lawful, or the peace officer, at the time of the arrest, had reasonable cause to believe the arrest was lawful.

(b) **The** arrest was made pursuant to a charge made, upon reasonable cause, of the commission of a felony by the person to be arrested.

(c) **The** arrest was made pursuant to the requirements of Section 142, **837**, 838, or 839.

(Amended Sec. 2, Ch. 526, Stats. 2002. Effective January 1, 2003.)

849. (a) When an arrest is made without a warrant by a peace officer or private person, the person arrested, if not otherwise released, shall, without unnecessary delay, be taken before the nearest or most accessible magistrate in the county in which the offense is triable, and a complaint stating the charge against the arrested person shall be laid before such magistrate.

(b) Any peace officer may release from custody, instead of taking such person before a magistrate, any person arrested without a warrant whenever:

(1) He or she is satisfied that there are insufficient grounds for making a criminal complaint against the person arrested.

(2) The person arrested was arrested for intoxication only, and no further proceedings are desirable.

(3) The person was arrested only for being under the influence of a controlled substance or drug and such person is delivered to a facility or hospital for treatment and no further proceedings are desirable.

(c) Any record of arrest of a person released pursuant to paragraphs (1) and (3) of subdivision (b) shall include a record of release. Thereafter, such arrest shall not be deemed an arrest, but a detention only.

(Amended Ch. 1635, Stats. 1984. Effective January 1, 1985.)

Sealing of Criminal Records

851.6. (a) In any case in which a person is arrested and released pursuant to paragraph (1) or (3) of subdivision (b) of Section 849, the person shall be issued a certificate, signed by the releasing officer or his superior officer, describing the action as a detention.

(b) In any case in which a person is arrested and released and no accusatory pleading is filed charging him with an offense, the person shall be issued a certificate by the law enforcement agency which arrested him describing the action as a detention.

(c) The Attorney General shall prescribe the form and content of such certificate.

(d) Any reference to the action as an arrest shall be deleted from the arrest records of the arresting agency and of the Bureau of Criminal Identification and Investigation of the Department of Justice. Thereafter, any such record of the action shall refer to it as a detention.

(Amended Ch. 1117, Stats. 1975. Effective January 1, 1976.)

851.7. (a) Any person who has been arrested for a misdemeanor, with or without a warrant, while a minor, may, during or after minority, petition the court in which the proceedings occurred or, if there were no court proceedings, the court in whose jurisdiction the arrest occurred, for an order sealing the records in the case, including any records of arrest and detention, if any of the following occurred:

(1) He was released pursuant to paragraph (1) of subdivision (b) of Section 849.

(2) Proceedings against him were dismissed, or he was discharged, without a conviction.

(3) He was acquitted.

(b) If the court finds that the petitioner is eligible for relief under subdivision (a), it shall issue its order granting the relief prayed for. Thereafter, the arrest, detention, and any further proceedings in the case shall be deemed not to have occurred, and the petitioner may answer accordingly any question relating to their occurrence.

(c) This section applies to arrests and any further proceedings that occurred before, as well as those that occur after, the effective date of this section.

(d) This section does not apply to any person taken into custody pursuant to Section 625 of the Welfare and Institutions Code, or to any case within the scope of Section 781 of the Welfare and Institutions Code, unless after a finding of unfitness for the juvenile court or otherwise, there were criminal proceedings in the case, not culminating in conviction. If there were criminal proceedings not culminating in conviction, this section shall be applicable to such criminal proceedings if such proceedings are otherwise within the scope of this section.

(e) This section does not apply to arrests for, and any further proceedings relating to, any of the following:

(1) Offenses for which registration is required under Section 290.

(2) Offenses under Division 10 (commencing with Section 11000) of the Health and Safety Code.

(3) Offenses under the Vehicle Code or any local ordinance relating to operation, stopping, standing, or parking of a vehicle.

(f) In any action or proceeding based upon defamation, a court, upon a showing of good cause, may order any records sealed under this section to be opened and admitted in evidence. The records shall be confidential and shall be available for inspection only by the court, jury, parties, counsel for the parties, and any other person who is authorized by the court to inspect them. Upon the judgment in the action or proceeding becoming final, the court shall order the records sealed.

(g) This section shall apply in any case in which a person was under the age of 21 at the time of the commission of an offense as to which this section is made applicable if such offense was committed prior to March 7, 1973.

(Amended Ch. 401, Stats. 1974. Effective January 1, 1975.)

§51.8. (a) In any case where a person has been arrested and no accusatory pleading has been filed, the person arrested may petition the law enforcement agency having jurisdiction over the offense to destroy its records of the arrest. A copy of such petition shall be served upon the district attorney of the county having jurisdiction over the offense. The law enforcement agency having jurisdiction over the offense, upon a determination that the person arrested is factually innocent, shall, with the concurrence of the district attorney, seal its arrest records, and the petition for relief under this section for three years from the date of the arrest and thereafter destroy its arrest records and the petition. The law enforcement agency having jurisdiction over the offense shall notify the Department of Justice, and any law enforcement agency which arrested the petitioner or participated in the arrest of the petitioner for an offense for which the petitioner has been found factually innocent under this subdivision, of the sealing of the arrest records and the reason therefor. The Department of Justice and any law enforcement agency so notified shall forthwith seal their records of the arrest and the notice of sealing for three years from the date of the arrest, and thereafter destroy their records of the arrest and the notice of sealing. The law enforcement agency having jurisdiction over the offense and the Department of Justice shall request the destruction of any records of the arrest which they have given to any local, state, or federal agency or to any other person or entity. Each such agency, person, or entity within the State of California receiving such a request shall destroy its records of the arrest and such request, unless otherwise provided in this section.

(b) If, after receipt by both the law enforcement agency and the district attorney of a petition for relief under subdivision (a), the law enforcement agency and district attorney do not respond to the petition by accepting or denying such petition within 60 days after the running of the relevant statute of limitations or within 60 days after receipt of the petition in cases where the statute of limitations has previously lapsed, then the petition shall be deemed to be denied. In any case where the petition of an arrestee to the law enforcement agency to have an arrest record destroyed is denied, petition may be made to the superior court which would have had territorial jurisdiction over the matter. A copy of such petition shall be served on the district attorney of the county having jurisdiction over the offense at least 10 days prior to the hearing thereon. The district attorney may present evidence to the court at such hearing. Notwithstanding Section 1538.5 or 1539, any judicial determination of factual innocence made pursuant to this section may be heard and determined upon declarations, affidavits, police reports, or any other evidence submitted by the parties which is material, relevant and reliable. A finding of factual innocence and an order for the sealing and destruction of records pursuant to this section shall not be made unless the court finds that no reasonable cause exists to believe that the arrestee

committed the offense for which the arrest was made. In any court hearing to determine the factual innocence of a party, the initial burden of proof shall rest with the petitioner to show that no reasonable cause exists to believe that the arrestee committed the offense for which the arrest was made. If the court finds that this showing of no reasonable cause has been made by the petitioner, then the burden of proof shall shift to the respondent to show that a reasonable cause exists to believe that the petitioner committed the offense for which the arrest was made. If the court finds the arrestee to be factually innocent of the charges for which the arrest was made, then the court shall order the law enforcement agency having jurisdiction over the offense, the Department of Justice, and any law enforcement agency which arrested the petitioner or participated in the arrest of the petitioner for an offense for which the petitioner has been found factually innocent under this section to seal their records of the arrest and the court order to seal and destroy such records, for three years from the date of the arrest and thereafter to destroy their records of the arrest and the court order to seal and destroy such records. The court shall also order the law enforcement agency having jurisdiction over the offense and the Department of Justice to request the destruction of any records of the arrest which they have given to any local, state, or federal agency, person or entity. Each state or local agency, person or entity within the State of California receiving such a request shall destroy its records of the arrest and the request to destroy such records, unless otherwise provided in this section. The court shall give to the petitioner a copy of any court order concerning the destruction of the arrest records.

(c) In any case where a person has been arrested, and an accusatory pleading has been filed, but where no conviction has occurred, the defendant may, at any time after dismissal of the action, petition the court which dismissed the action for a finding that the defendant is factually innocent of the charges for which the arrest was made. A copy of such petition shall be served on the district attorney of the county in which the accusatory pleading was filed at least 10 days prior to the hearing on the petitioner's factual innocence. The district attorney may present evidence to the court at such hearing. Such hearing shall be conducted as provided in subdivision (b). If the court finds the petitioner to be factually innocent of the charges for which the arrest was made, then the court shall grant the relief as provided in subdivision (b).

(d) In any case where a person has been arrested and an accusatory pleading has been filed, but where no conviction has occurred, the court may, with the concurrence of the district attorney, grant the relief provided in subdivision (b) at the time of the dismissal of the accusatory pleading.

(e) Whenever any person is acquitted of a charge and it appears to the judge presiding at the trial wherein such acquittal occurred that the defendant was factually innocent of such charge, the judge may grant the relief provided in subdivision (b).

(f) In any case where a person who has been arrested is granted relief pursuant to subdivision (a) or (b), the law enforcement agency having jurisdiction over the offense or court shall issue a written declaration to the arrestee stating that it is the determination of the law enforcement agency having jurisdiction over the offense or court that the arrestee is factually innocent of the charges for which the person was arrested and that the arrestee is thereby exonerated. Thereafter, the arrest shall be deemed not to have occurred and the person may answer accordingly any question relating to its occurrence.

(g) The Department of Justice shall furnish forms to be utilized by persons applying for the destruction of their arrest records and for the written declaration that one person was found factually innocent under subdivisions (a) and (b).

(h) Documentation of arrest records destroyed pursuant to subdivision (a), (b), (c), (d), or (e) which are contained in investigative police reports shall bear the notation "Exonerated" whenever reference is made to the arrestee. The arrestee shall be notified in writing by the law enforcement agency having jurisdiction over the offense of the sealing and destruction of the arrest records pursuant to this section.

(i) Any finding that an arrestee is factually innocent pursuant to subdivision (a), (b), (c), (d), or (e) shall not be admissible as evidence in any action.

(j) Destruction of records of arrest pursuant to subdivision (a), (b), (c), (d), or (e) shall be accomplished by permanent obliteration of all entries or notations upon such records pertaining to the arrest, and the record shall be prepared again so that it appears that the arrest never occurred. However, where (1) the only entries on the record pertain to the arrest and (2) the record can be destroyed without necessarily effecting the destruction of other records, then the document constituting the record shall be physically destroyed.

(k) No records shall be destroyed pursuant to subdivision (a), (b), (c), (d), or (e) if the arrestee or a codefendant has filed a civil action against the peace officers or law enforcement jurisdiction which made the arrest or instituted the prosecution and if the agency which is the custodian of such records has received a certified copy of the complaint in such civil action, until the civil action has been resolved. Any records sealed pursuant to this section by the court in the civil actions, upon a showing of good cause, may be opened and submitted into evidence. The records shall be confidential and shall be available for inspection only by the court, jury, parties, counsel for the parties and any other person authorized by the court. Immediately following the final resolution of the civil action, records subject to subdivision (a), (b), (c), (d), or (e) shall be sealed and destroyed pursuant to subdivision (a), (b), (c), (d), or (e).

(l) For arrests occurring on or after January 1, 1981, and for accusatory pleadings filed on or after January 1, 1981, petitions for relief under this section may be filed up to two years from the date of the arrest or filing of the accusatory pleading, whichever is later. Until January 1, 1983, petitioners can file for relief under this section for arrests which occurred or accusatory pleadings which were filed up to five years prior to the effective date of the statute. Any time restrictions on filing for relief under this section may be waived upon a showing of good cause by the petitioner and in the absence of prejudice.

(m) Any relief which is available to a petitioner under this section for an arrest shall also be available for an arrest which has been deemed to be or described as a detention under Section 849.5 or 851.6.

(n) The provisions of this section shall not apply to any offense which is classified as an infraction.

(o) (1) The provisions of this section shall be repealed on the effective date of a final judgment based on a claim under the California or United States Constitution holding that evidence which is relevant, reliable, and material may not be considered for purposes of a judicial determination of factual innocence under this section. For purposes of this subdivision, a judgment by the appellate division of a superior court is a final judgment if it is published and if it is not reviewed on appeal by a court of appeal. A judgment of a court of appeal is a final judgment if it is published and if it is not reviewed by the California Supreme Court.

(2) Any such decision referred to in this subdivision shall be stayed pending appeal.

(3) If not otherwise appealed by a party to the action, any such decision referred to in this subdivision which is a judgment by the appellate division of the superior court shall be appealed by the Attorney General.

(p) A judgment of the court under subdivision (b), (c), (d), or (e) is subject to the following appeal path:

(1) In a felony case, appeal is to the court of appeal.

(2) In a misdemeanor case, or in a case in which no accusatory pleading was filed, appeal is to the appellate division of the superior court.

(Amended Sec. 532, Ch. 784, Stats. 2002. Effective January 1, 2003.)

§51.85. Whenever a person is acquitted of a charge and it appears to the judge presiding at the trial wherein such acquittal occurred that the defendant was factually innocent of the charge, the judge may order that the records in the case be sealed, including any record of arrest or detention, upon the written or oral motion of any party in the case or the court, and with notice to all parties to the case. If such an order is made, the court shall give to the defendant a copy of such order and inform the defendant that he may thereafter state that he was not arrested for such charge and that he was found innocent of such charge by the court.

(Added Ch. 1172, Stats. 1980. Effective September 19, 1980.)

Uniform Act on Fresh Pursuit

§52.1. As used in this chapter:

(a) "State" means any state of the United States and the District of Columbia.

(b) "Peace officer" means any peace officer or member of any duly organized state, county, or municipal peace unit or police force of another state.

(c) "Fresh pursuit" includes close pursuit and hot pursuit.

§52.2. Any peace officer of another state, who enters this State in fresh pursuit, and continues within this State in fresh pursuit, of a person in order to arrest him on the ground that he has committed a felony in the other state, has the same authority to arrest and hold the person in custody, as peace officers of this State have to arrest and hold a person in custody on the ground that he has committed a felony in this State.

852.3. If an arrest is made in this State by a peace officer of another state in accordance with the provisions of Section 852.2 of this code, he shall without unnecessary delay take the person arrested before a magistrate of the county in which the arrest was made, who shall conduct a hearing for the purpose of determining the lawfulness of the arrest. If the magistrate determines that the arrest was lawful, he shall commit the person arrested to await a reasonable time for the issuance of an extradition warrant by the Governor of this State or admit him to bail for such purpose. If the magistrate determines that the arrest was unlawful he shall discharge the person arrested.

852.4. Section 852.2 of this code shall not be construed so as to make unlawful any arrest in this State which would otherwise be lawful.

Citations for Misdemeanors

853.5. Except as otherwise provided by law, in any case in which a person is arrested for an offense declared to be an infraction, the person may be released according to the procedures set forth by this chapter for the release of persons arrested for an offense declared to be a misdemeanor. In all cases, except as specified in Sections 40302, 40303, 40305, and 40305.5 of the Vehicle Code, in which a person is arrested for an infraction, a peace officer shall only require the arrestee to present his driver's license or other satisfactory evidence of his identity for examination and to sign a written promise to appear. If the arrestee does not have a driver's license or other satisfactory evidence of identity in his or her possession, the officer may require the arrestee to place a right thumbprint, or a left thumbprint or fingerprint if the person has a missing or disfigured right thumb, on the promise to appear. This thumbprint or fingerprint shall not be used to create a data base. Only if the arrestee refuses to sign a written promise, has no satisfactory identification, or refuses to provide a thumbprint or fingerprint may the arrestee be taken into custody.

(Amended Sec. 1, Ch. 93, Stats. 1995. Effective January 1, 1996.)

853.6. (a) In any case in which a person is arrested for an offense declared to be a misdemeanor, including a violation of any city or county ordinance, and does not demand to be taken before a magistrate, that person shall, instead of being taken before a magistrate, be released according to the procedures set forth by this chapter. If the person is released, the officer or superior shall prepare in duplicate a written notice to appear in court, containing the name and address of the person, the offense charged, and the time when, and place where, the person shall appear in court. If, pursuant to subdivision (i), the person is not released prior to being booked and the officer in charge of the booking or his or her superior determines that the person should be released, the officer or superior shall prepare a written notice to appear in a court.

In any case in which a person is arrested for a misdemeanor violation of a protective court order involving domestic violence, as defined in subdivision (b) of Section 13700, or arrested pursuant to a policy, as described in Section 13701, the person shall be taken before a magistrate instead of being released according to the procedures set forth in this chapter, unless the arresting officer determines that there is not a reasonable likelihood that the offense will continue or resume or that the safety of persons or property would be imminently endangered by release of the person arrested. Prior to adopting these provisions, each city, county, or city and county shall develop a protocol to assist officers to determine when arrest and release is appropriate, rather than taking the arrested person before a magistrate. The county shall establish a committee to develop the protocol, consisting of, at a minimum, the police chief or county sheriff within the jurisdiction, the district attorney, county counsel, city attorney, representatives from domestic violence shelters, domestic violence councils, and other relevant community agencies.

Nothing in this subdivision shall be construed to affect a defendant's ability to be released on bail or on his or her own recognizance.

(b) Unless waived by the person, the time specified in the notice to appear shall be at least 10 days after arrest if the duplicate notice is to be filed by the officer with the magistrate.

(c) The place specified in the notice shall be the court of the magistrate before whom the person would be taken if the requirement of taking an arrested person before a magistrate were complied with, or shall be an officer authorized by that court to receive a deposit of bail.

(d) The officer shall deliver one copy of the notice to appear to the arrested person, and the arrested person, in order to secure release, shall give his or her written promise to appear in court as specified in the notice by signing the duplicate notice

which shall be retained by the officer, and the officer may require the arrested person, if he or she has no satisfactory identification, to place a right thumbprint, or a left thumbprint or fingerprint if the person has a missing or disfigured right thumb, on the promise to appear. This thumbprint or fingerprint shall not be used to create a data base. Upon the signing of the duplicate notice, the arresting officer shall immediately release the person arrested from custody.

(e) The officer shall, as soon as practicable, file the duplicate notice, as follows:

(1) It shall be filed with the magistrate if the offense charged is an infraction.

(2) It shall be filed with the magistrate if the prosecuting attorney has previously directed the officer to do so.

(3) The duplicate notice and underlying police reports in support of the charge or charges shall be filed with the prosecuting attorney in cases other than those specified in paragraphs (1) and (2).

If the duplicate notice is filed with the prosecuting attorney, he or she, within his or her discretion, may initiate prosecution by filing the notice or a formal complaint with the magistrate specified in the duplicate notice within 25 days from the time of arrest. If the prosecution is not to be initiated, the prosecutor shall send notice to the person arrested at the address on the notice to appear. The failure by the prosecutor to file the notice or formal complaint within 25 days of the time of the arrest shall not bar further prosecution of the misdemeanor charged in the notice to appear. However, any further prosecution shall be preceded by a new and separate citation or an arrest warrant.

Upon the filing of the notice with the magistrate by the officer, or the filing of the notice or formal complaint by the prosecutor, the magistrate may fix the amount of bail that in his or her judgment, in accordance with Section 1275, is reasonable and sufficient for the appearance of the defendant and shall endorse upon the notice a statement signed by him or her in the form set forth in Section 815a. The defendant may, prior to the date upon which he or she promised to appear in court, deposit with the magistrate the amount of bail set by the magistrate. At the time the case is called for arraignment before the magistrate, if the defendant does not appear, either in person or by counsel, the magistrate may declare the bail forfeited, and may, in his or her discretion, order that no further proceedings shall be had in the case, unless the defendant has been charged with a violation of Section 374.3 or 374.7 of this code or of Section 11357, 11360, or 13002 of the Health and Safety Code, or a violation punishable under Section 5008.7 of the Public Resources Code, and he or she has previously been convicted of a violation of that section or a violation that is punishable under that section, except in cases where the magistrate finds that undue hardship will be imposed upon the defendant by requiring him or her to appear, the magistrate may declare the bail forfeited and order that no further proceedings be had in the case.

Upon the making of the order that no further proceedings be had, all sums deposited as bail shall immediately be paid into the county treasury for distribution pursuant to Section 1463.

(f) No warrant shall be issued for the arrest of a person who has given a written promise to appear in court, unless and until he or she has violated that promise or has failed to deposit bail, to appear for arraignment, trial, or judgment or to comply with the terms and provisions of the judgment, as required by law.

(g) The officer may book the arrested person prior to release or indicate on the citation that the arrested person shall appear at the arresting agency to be booked or indicate on the citation that the arrested person shall appear at the arresting agency to be fingerprinted prior to the date the arrested person appears in court. If it is indicated on the citation that the arrested person shall be booked or fingerprinted prior to the date of the person's court appearance, the arresting agency at the time of booking or fingerprinting shall provide the arrested person with verification of the booking or fingerprinting by either making an entry on the citation or providing the arrested person a verification form established by the arresting agency. If it is indicated on the citation that the arrested person is to be booked or fingerprinted, the magistrate, judge, or court shall, before the proceedings begin, order the defendant to provide verification that he or she was booked or fingerprinted by the arresting agency. If the defendant cannot produce the verification, the magistrate, judge, or court shall require that the defendant be booked or fingerprinted by the arresting agency before the next court appearance, and that the defendant provide the verification at the next court appearance unless both parties stipulate that booking or fingerprinting is not necessary.

(h) A peace officer shall use the written notice to appear procedure set forth in this section for any misdemeanor offense in which the officer has arrested a person without a warrant pursuant to Section 836 or in which he or she has taken custody of a person

pursuant to Section 847.

(i) Whenever any person is arrested by a peace officer for a misdemeanor, that person shall be released according to the procedures set forth by this chapter unless one of the following is a reason for nonrelease, in which case the arresting officer may release the person, or the arresting officer shall indicate, on a form to be established by his or her employing law enforcement agency, which of the following was a reason for the nonrelease:

(1) The person arrested was so intoxicated that he or she could have been a danger to himself or herself or to others.

(2) The person arrested required medical examination or medical care or was otherwise unable to care for his or her own safety.

(3) The person was arrested under one or more of the circumstances listed in Sections 40302 and 40303 of the Vehicle Code.

(4) There were one or more outstanding arrest warrants for the person.

(5) The person could not provide satisfactory evidence of personal identification.

(6) The prosecution of the offense or offenses for which the person was arrested, or the prosecution of any other offense or offenses, would be jeopardized by immediate release of the person arrested.

(7) There was a reasonable likelihood that the offense or offenses would continue or resume, or that the safety of persons or property would be imminently endangered by release of the person arrested.

(8) The person arrested demanded to be taken before a magistrate or refused to sign the notice to appear.

(9) There is reason to believe that the person would not appear at the time and place specified in the notice. The basis for this determination shall be specifically stated.

The form shall be filed with the arresting agency as soon as practicable and shall be made available to any party having custody of the arrested person, subsequent to the arresting officer, and to any person authorized by law to release him or her from custody before trial.

(j) Once the arresting officer has prepared the written notice to appear and has delivered a copy to the person arrested, the officer shall deliver the remaining original and all copies as provided by subdivision (e).

Any person, including the arresting officer and any member of the officer's department or agency, or any peace officer, who alters, conceals, modifies, nullifies, or destroys, or causes to be altered, concealed, modified, nullified, or destroyed, the face side of the remaining original or any copy of a citation that was retained by the officer, for any reason, before it is filed with the magistrate or with a person authorized by the magistrate to receive deposit of bail, is guilty of a misdemeanor.

If, after an arrested person has signed and received a copy of a notice to appear, the arresting officer determines that, in the interest of justice, the citation or notice should be dismissed, the arresting agency may recommend, in writing, to the magistrate that the charges be dismissed. The recommendation shall cite the reasons for the recommendation and shall be filed with the court.

If the magistrate makes a finding that there are grounds for dismissal, the finding shall be entered in the record and the charges dismissed.

Under no circumstances shall a personal relationship with any officer, public official, or law enforcement agency be grounds for dismissal.

(k) For purposes of this section, the term "arresting agency" includes any other agency designated by the arresting agency to provide booking or fingerprinting services.

(Amended Sec. 1, Ch. 851, Stats. 1996. Effective January 1, 1997.)

853.7a. (a) In addition to the fees authorized or required by any other provision of law, a county may, by resolution of the board of supervisors, require the courts of that county to impose an assessment of **fifteen dollars (\$15)** upon every person who violates his or her written promise to appear or a lawfully granted continuance of his or her promise to appear in court or before a person authorized to receive a deposit of bail, or who otherwise fails to comply with any valid court order for a violation of any provision of this code or local ordinance adopted pursuant to this code. This assessment shall apply whether or not a violation of Section 853.7 is concurrently charged or a warrant of arrest is issued pursuant to Section 853.8.

(b) The clerk of the court shall deposit the amounts collected under this section in the county treasury. All money so deposited shall be used **first** for the development and operation of an automated county warrant system. **If sufficient funds are available after appropriate expenditures to develop, modernize, and**

maintain the automated warrant system, a county may use the balance to fund a warrant service task force for the purpose of serving all bench warrants within the county.

(Amended Sec. 1, Ch. 148, Stats. 2002. Effective January 1, 2003.)

853.8. When a person signs a written promise to appear at the time and place specified in the written promise to appear and has not posted bail as provided in Section 853.6, the magistrate shall issue and have delivered for execution a warrant for his arrest within twenty (20) days after his failure to appear as promised.

853.9. (a) Whenever written notice to appear has been prepared, delivered, and filed by an officer or the prosecuting attorney with the court pursuant to the provisions of Section 853.6 of this code, an exact and legible duplicate copy of the notice when filed with the magistrate, in lieu of a verified complaint, shall constitute a complaint to which the defendant may plead "guilty" or "nolo contendere."

If, however, the defendant violates his or her promise to appear in court, or does not deposit lawful bail, or pleads other than "guilty" or "nolo contendere" to the offense charged, a complaint shall be filed which shall conform to the provisions of this code and which shall be deemed to be an original complaint; and thereafter proceedings shall be had as provided by law, except that a defendant may, by an agreement in writing, subscribed by him or her and filed with the court, waive the filing of a verified complaint and elect that the prosecution may proceed upon a written notice to appear.

(b) Notwithstanding the provisions of subdivision (a) of this section, whenever the written notice to appear has been prepared on a form approved by the Judicial Council, an exact and legible duplicate copy of the notice when filed with the magistrate shall constitute a complaint to which the defendant may enter a plea and, if the notice to appear is verified, upon which a warrant may be issued. If the notice to appear is not verified, the defendant may, at the time of arraignment, request that a verified complaint be filed.

(Amended Ch. 28, Stats. 1981. Effective May 8, 1981.)

Infraction Tried by Court

1042.5. Trial of an infraction shall be by the court, but when a defendant has been charged with an infraction and with a public offense for which there is a right to jury trial and a jury trial is not waived, the court may order that the offenses be tried together by jury or that they be tried separately with the infraction being tried by the court either in the same proceeding or a separate proceeding as may be appropriate.

(Added Ch. 1192, Stats. 1968. Effective November 13, 1968. Operative Jan. 1, 1969.)

1203.1bb. (a) The reasonable cost of probation determined under subdivision (a) of Section 1203.1b shall include the cost of purchasing and installing an ignition interlock device pursuant to Section 13386 of the Vehicle Code. Any defendant subject to this section shall pay the manufacturer of the ignition interlock device directly for the cost of its purchase and installation, in accordance with the payment schedule ordered by the court. If practicable, the court shall order payment to be made to the manufacturer of the ignition interlock device within a six-month period.

(b) This **section** does not require any county to pay the costs of purchasing and installing any ignition interlock devices ordered pursuant to Section 13386 of the Vehicle Code. The Office of Traffic Safety shall consult with the presiding judge or his or her designee in each county to determine an appropriate means, if any, to provide for installation of ignition interlock devices in cases in which the defendant has no ability to pay.

(Amended Sec. 21, Ch. 787, Stats. 2002. Effective January 1, 2003.)

Dismissal Following Completion of Probation

1203.4. (a) In any case in which a defendant has fulfilled the conditions of probation for the entire period of probation, or has been discharged prior to the termination of the period of probation, or in any other case in which a court, in its discretion and the interests of justice, determines that a defendant should be granted the relief available under this section, the defendant shall, at any time after the termination of the period of probation, if he or she is not then serving a sentence for any offense, on probation for any offense, or charged with the commission of any offense, be permitted by the court to withdraw his or her plea of guilty or plea of nolo contendere and enter a plea of not guilty; or, if he or she has been convicted after a plea of not guilty, the court shall set aside the verdict of guilty; and, in either case, the court shall thereupon dismiss the accusations or information against the defendant and except as noted below, he or she shall thereafter be released from all penalties and disabilities resulting from the offense of which he or she has been convicted, except as

provided in Section 13555 of the Vehicle Code. The probationer shall be informed, in his or her probation papers, of this right and privilege and his or her right, if any, to petition for a certificate of rehabilitation and pardon. The probationer may make the application and change of plea in person or by attorney, or by the probation officer authorized in writing. However, in any subsequent prosecution of the defendant for any other offense, the prior conviction may be pleaded and proved and shall have the same effect as if probation had not been granted or the accusation or information dismissed. The order shall state, and the probationer shall be informed, that the order does not relieve him or her of the obligation to disclose the conviction in response to any direct question contained in any questionnaire or application for public office, for licensure by any state or local agency, or for contracting with the California State Lottery.

Dismissal of an accusation or information pursuant to this section does not permit a person to own, possess, or have in his or her custody or control any firearm capable of being concealed upon the person or prevent his or her conviction under Section 12021.

This subdivision shall apply to all applications for relief under this section which are filed on or after November 23, 1970.

(b) Subdivision (a) of this section does not apply to any misdemeanor that is within the provisions of subdivision (b) of Section 42001 of the Vehicle Code, to any violation of subdivision (c) of Section 286, Section 288, subdivision (c) of Section 288a, Section 288.5, or subdivision (j) of Section 289, any felony conviction pursuant to subdivision (d) of Section 261.5, or to any infraction.

(c) A person who petitions for a change of plea or setting aside of a verdict under this section may be required to reimburse the county for the actual cost of services rendered, whether or not the petition is granted and the records are sealed or expunged, at a rate to be determined by the county board of supervisors not to exceed one hundred twenty dollars (\$120), and to reimburse any city for the actual cost of services rendered, whether or not the petition is granted and the records are sealed or expunged, at a rate to be determined by the city council not to exceed one hundred twenty dollars (\$120). Ability to make this reimbursement shall be determined by the court using the standards set forth in paragraph (2) of subdivision (g) of Section 987.8 and shall not be a prerequisite to a person's eligibility under this section. The court may order reimbursement in any case in which the petitioner appears to have the ability to pay, without undue hardship, all or any portion of the cost for services established pursuant to this subdivision.

(d) No relief shall be granted under this section unless the prosecuting attorney has been given 15 days' notice of the petition for relief. The probation officer shall notify the prosecuting attorney when a petition is filed, pursuant to this section.

It shall be presumed that the prosecuting attorney has received notice if proof of service is filed with the court.

(e) If, after receiving notice pursuant to subdivision (d), the prosecuting attorney fails to appear and object to a petition for dismissal, the prosecuting attorney may not move to set aside or otherwise appeal the grant of that petition.

(f) Notwithstanding the above provisions or any other provision of law, the Governor shall have the right to pardon a person convicted of a violation of subdivision (c) of Section 286, Section 288, subdivision (c) of Section 288a, Section 288.5, or subdivision (j) of Section 289, if there are extraordinary circumstances.

(Amended Sec. 1, Ch. 226, Stats. 2000. Effective January 1, 2001.)

Dismissal Following Judgment

1203.4a. (a) Every defendant convicted of a misdemeanor and not granted probation shall, at any time after the lapse of one year from the date of pronouncement of judgment, if he or she has fully complied with and performed the sentence of the court, is not then serving a sentence for any offense and is not under charge of commission of any crime and has, since the pronouncement of judgment, lived an honest and upright life and has conformed to and obeyed the laws of the land, be permitted by the court to withdraw his or her plea of guilty or nolo contendere and enter a plea of not guilty; or if he or she has been convicted after a plea of not guilty, the court shall set aside the verdict of guilty; and in either case the court shall thereupon dismiss the accusatory pleading against the defendant, who shall thereafter be released from all penalties and disabilities resulting from the offense of which he or she has been convicted, except as provided in Section 12021.1 of this code or Section 13555 of the Vehicle Code. The defendant shall be informed of the provisions of this section, either orally or in writing, at the time he or she is sentenced. The

defendant may make an application and change of plea in person or by attorney, or by the probation officer authorized in writing; provided, that in any subsequent prosecution of the defendant for any other offense, the prior conviction may be pleaded and proved and shall have the same effect as if relief had not been granted pursuant to this section.

This subdivision applies to convictions which occurred before as well as those occurring after, the effective date of this section.

(b) Subdivision (a) does not apply to any misdemeanor falling within the provisions of subdivision (b) of Section 42001 of the Vehicle Code, or to any infraction.

(c) A person who petitions for a dismissal of a charge under this section may be required to reimburse the county and the court for the cost of services rendered at a rate to be determined by the county board of supervisors for the county and by the court for the court, not to exceed sixty dollars (\$60), and to reimburse any city for the cost of services rendered at a rate to be determined by the city council not to exceed sixty dollars (\$60). Ability to make this reimbursement shall be determined by the court using the standards set forth in paragraph (2) of subdivision (f) of Section 987.8 and shall not be a prerequisite to a person's eligibility under this section. The court may order reimbursement in any case in which the petitioner appears to have the ability to pay, without undue hardship, all or any portion of the cost for services established pursuant to this subdivision.

(d) Any determination of amount made by a court under this section shall be valid only if either (1) made under procedures adopted by the Judicial Council or (2) approved by the Judicial Council.

(Amended Sec. 36, Ch. 824, Stats. 2001. Effective January 1, 2002.)

Minor's Petition for Sealing of Records

1203.45. (a) In any case in which a person was under the age of 18 years at the time of commission of a misdemeanor and is eligible for, or has previously received, the relief provided by Section 1203.4 or 1203.4a, that person, in a proceeding under Section 1203.4 or 1203.4a, or a separate proceeding, may petition the court for an order sealing the record of conviction and other official records in the case, including records of arrests resulting in the criminal proceeding and records relating to other offenses charged in the accusatory pleading, whether defendant was acquitted or charges were dismissed. If the court finds that the person was under the age of 18 at the time of the commission of the misdemeanor, and is eligible for relief under Section 1203.4 or 1203.4a or has previously received that relief, it may issue its order granting the relief prayed for. Thereafter the conviction, arrest, or other proceeding shall be deemed not to have occurred, and the petitioner may answer accordingly any question relating to their occurrence.

(b) This section applies to convictions which occurred before, as well as those which occur after, the effective date of this section.

(c) This section shall not apply to offenses for which registration is required under Section 290, to violations of Division 10 (commencing with Section 11000) of the Health and Safety Code, or to misdemeanor violations of the Vehicle Code relating to operation of a vehicle or of any local ordinance relating to operation, standing, stopping, or parking of a motor vehicle.

(d) This section does not apply to a person convicted of more than one offense, whether the second or additional convictions occurred in the same action in which the conviction as to which relief is sought occurred or in another action, except in the following cases:

(1) One of the offenses includes the other or others.

(2) The other conviction or convictions were for the following:

(A) Misdemeanor violations of Chapters 1 (commencing with Section 21000) to 9 (commencing with Section 22500), inclusive, Chapter 12 (commencing with Section 23100), or Chapter 13 (commencing with Section 23250) of Division 11 of the Vehicle Code, other than Section 23103, 23104, 23152, 23153, or 23220.

(B) Violation of any local ordinance relating to the operation, stopping, standing, or parking of a motor vehicle.

(3) The other conviction or convictions consisted of any combination of paragraphs (1) and (2).

(e) This section shall apply in any case in which a person was under the age of 21 at the time of the commission of an offense as to which this section is made applicable if that offense was committed prior to March 7, 1973.

(f) In any action or proceeding based upon defamation, a court, upon a showing of good cause, may order any records sealed under this section to be opened and admitted

into evidence. The records shall be confidential and shall be available for inspection only by the court, jury, parties, counsel for the parties, and any other person who is authorized by the court to inspect them. Upon the judgment in the action or proceeding becoming final, the court shall order the records sealed.

Payment of Fines in Installments

1205. (a) A judgment that the defendant pay a fine, with or without other punishment, may also direct that he or she be imprisoned until the fine is satisfied and may further direct that the imprisonment begin at and continue after the expiration of any imprisonment imposed as a part of the punishment or of any other imprisonment to which he or she may theretofore have been sentenced. Each of these judgments shall specify the extent of the imprisonment for nonpayment of the fine, which shall not be more than one day for each thirty dollars (\$30) of the fine, nor exceed in any case the term for which the defendant might be sentenced to imprisonment for the offense of which he or she has been convicted. A defendant held in custody for nonpayment of a fine shall be entitled to credit on the fine for each day he or she is so held in custody, at the rate specified in the judgment. When the defendant has been convicted of a misdemeanor, a judgment that the defendant pay a fine may also direct that he or she pay the fine within a limited time or in installments on specified dates and that in default of payment as therein stipulated he or she be imprisoned in the discretion of the court either until the defaulted installment is satisfied or until the fine is satisfied in full; but unless the direction is given in the judgment, the fine shall be payable forthwith.

(b) Except as otherwise provided in case of fines imposed, including restitution fines or restitution orders, as conditions of probation, the defendant shall pay the fine to the clerk of the court, or to the judge thereof if there is no clerk, unless the defendant is taken into custody for nonpayment of the fine, in which event payments made while he or she is in custody shall be made to the officer who holds him or her in custody and all amounts so paid shall be forthwith paid over by the officer to the court which rendered the judgment. The clerk shall report to the court every default in payment of a fine or any part thereof, or if there is no clerk, the court shall take notice of the default. If time has been given for payment of a fine or it has been made payable in installments, the court shall, upon any default in payment, immediately order the arrest of the defendant and order him or her to show cause why he or she should not be imprisoned until the fine or installment thereof, as the case may be, is satisfied in full. If the fine, restitution fine, restitution order, or installment, is payable forthwith and it is not so paid, the court shall without further proceedings, immediately commit the defendant to the custody of the proper officer to be held in custody until the fine or installment thereof, as the case may be, is satisfied in full.

(c) This section applies to any violation of any of the codes or statutes of this state punishable by a fine or by a fine and imprisonment.

Nothing in this section shall be construed to prohibit the clerk of the court, or the judge thereof if there is no clerk, from turning these accounts over to another county department or a collecting agency for processing and collection.

(d) The defendant shall pay to the clerk of the court or the collecting agency a fee for the processing of installment accounts. This fee shall equal the administrative and clerical costs, as determined by the board of supervisors, except that the fee shall not exceed thirty-five dollars (\$35). The Legislature hereby authorizes the establishment of the following program described in this section, to be implemented in any county, upon the adoption of a resolution by the board of supervisors authorizing it. The board of supervisors in any county may establish a fee for the processing of accounts

receivable that are not to be paid in installments. The defendant shall pay to the clerk of the court or the collecting agency the fee established for the processing of the accounts. The fee shall equal the administrative and clerical costs, as determined by the board of supervisors, except that the fee shall not exceed thirty dollars (\$30).

(e) This section shall only apply to restitution fines and restitution orders if the defendant has defaulted on the payment of other fines.

(Amended Sec. 22, Ch. 1077, Stats. 1996. Effective January 1, 1997.)

(4) "Deadly weapon" means any weapon, the possession or concealed carrying of which is prohibited by Section 12020.

incident involving a threat to human life or a physical assault, may take temporary custody of any firearm or other deadly weapon in plain sight or discovered pursuant to a consensual search as necessary for the protection of the peace officer or other persons present. Upon taking custody of a firearm or other deadly weapon, the officer shall give the owner or person who possessed the firearm a receipt. The receipt shall describe the firearm or other deadly weapon and list any identification or serial number on the firearm. The receipt shall indicate where the firearm or other deadly weapon can be recovered and the date after which the owner or possessor can recover the firearm or other deadly weapon. No firearm or other deadly weapon shall be held less than 48 hours. Except as provided in subdivision (e), if a firearm or other deadly weapon is not retained for use as evidence related to criminal charges brought as a result of the family violence incident or is not retained because it was illegally possessed, the firearm or other deadly weapon shall be made available to the owner or person who was in lawful possession 48 hours after the seizure or as soon thereafter as possible, but no later than 72 hours after the seizure. In any civil action or proceeding for the return of firearms or ammunition or other deadly weapon seized by any state or local law enforcement agency and not returned within 72 hours following the initial seizure, except as provided in subdivision (c), the court shall allow reasonable attorney's fees to the prevailing party.

(c) Any firearm or other deadly weapon which has been taken into custody that has been stolen shall be restored to the lawful owner, as soon as its use for evidence has been served, upon his or her identification of the firearm or other deadly weapon and proof of ownership.

(d) Any firearm or other deadly weapon taken into custody and held by a police, university police, or sheriff's department or by a marshal's office, by a peace officer of the Department of the California Highway Patrol, as defined in subdivision (a) of Section 830.2, by a peace officer of the Department of Parks and Recreation, as defined in subdivision (f) of Section 830.2, by a peace officer, as defined in subdivision (d) of Section 830.31, or by a peace officer, as defined in Section 830.5, for longer than 12 months and not recovered by the owner or person who has lawful possession at the time it was taken into custody, shall be considered a nuisance and sold or destroyed as provided in subdivision (c) of Section 12028. Firearms or other deadly weapons not recovered within 12 months due to an extended hearing process as provided in subdivision (i), are not subject to destruction until the court issues a decision, and then only if the court does not order the return of the firearm or other deadly weapon to the owner.

(e) In those cases where a law enforcement agency has reasonable cause to believe that the return of a firearm or other deadly weapon would be likely to result in endangering the victim or the person reporting the assault or threat, the agency shall advise the owner of the firearm or other deadly weapon, and within 10 days of the seizure, initiate a petition in superior court to determine if the firearm or other deadly weapon should be returned.

(f) The law enforcement agency shall inform the owner or person who had lawful possession of the firearm or other deadly weapon, at that person's last known address by registered mail, return receipt requested, that he or she has 30 days from the date of receipt of the notice to respond to the court clerk to confirm his or her desire for a hearing, and that the failure to respond shall result in a default order forfeiting the confiscated firearm or other deadly weapon. For the purposes of this subdivision, the person's last known address shall be presumed to be the address provided to the law enforcement officer by that person at the time of the family violence incident. In the event the person whose firearm or other deadly weapon was seized does not reside at the last address provided to the agency, the agency shall make a diligent, good faith effort to learn the whereabouts of the person and to comply with these notification requirements.

(g) If the person requests a hearing, the court clerk shall set a hearing no later than 30 days from receipt of that request. The court clerk shall notify the person, the law enforcement agency involved, and the district attorney of the date, time, and place of the hearing. Unless it is shown by clear and convincing evidence that the return of the firearm or other deadly weapon would result in endangering the victim or the person reporting the assault or threat, the court shall order the return of the firearm or other deadly weapon and shall award reasonable attorney's fees to the prevailing party.

(h) If the person does not request a hearing or does not otherwise respond within 30 days of the receipt of the notice, the law enforcement agency may file a petition for an order of default and may dispose of the firearm or other deadly weapon as provided in Section 12028.

(i) If, at the hearing, the court does not order the return of the firearm or other deadly weapon to the owner or person who had lawful possession, that person may petition the court for a second hearing within 12 months from the date of the initial hearing. If the owner or person who had lawful possession does not petition the court within this 12-month period for a second hearing or is unsuccessful at the second hearing in gaining return of the firearm or other deadly weapon, the firearm or other deadly weapon may be disposed of as provided in Section 12028.

(j) The law enforcement agency, or the individual law enforcement officer, shall not be liable for any act in the good faith exercise of this section.

Firearms or other deadly weapons not recovered within 12 months due to an extended hearing process as provided in subdivision (j), are not subject to destruction until the court issues a decision, and then only if the court does not order the return of the firearm or other deadly weapon to the owner.

(f) In those cases **in which** a law enforcement agency has reasonable cause to believe that the return of a firearm or other deadly weapon would be likely to result in endangering the victim or the person reporting the assault or threat, the agency shall advise the owner of the firearm or other deadly weapon, and within **60** days of the **date of** seizure, initiate a petition in superior court to determine if the firearm or other deadly weapon should be returned. The law enforcement agency may make an ex parte application stating good cause for an order extending the time to file a petition. Including any extension of time granted in response to an ex parte request, a petition must be filed within **90** days of the date of seizure of the firearm **or other deadly weapon**.

(g) The law enforcement agency shall inform the owner or person who had lawful possession of the firearm or other deadly weapon, at that person's last known address by registered mail, return receipt requested, that he or she has 30 days from the date of receipt of the notice to respond to the court clerk to confirm his or her desire for a hearing, and that the failure to respond shall result in a default order forfeiting the confiscated firearm or other deadly weapon. (d) Subdivision (a) shall not apply to any of the following who have been issued a certificate pursuant to Section 12033. (4) Uniformed security guards or night watch persons employed by any public agency, while acting within the scope and course of their employment.

(5) Uniformed security guards, regularly employed and compensated in that capacity by persons engaged in any lawful business, and uniformed alarm agents employed by an alarm company operator, while actually engaged in protecting and preserving the property of their employers or on duty or en route to or from their residences or their places of employment, and security guards and alarm agents en route to or from their residences or employer-required range training. Nothing in this paragraph shall be construed to prohibit cities and counties from enacting ordinances requiring alarm agents to register their names.

(6) Uniformed employees of private patrol operators and private investigators licensed pursuant to Chapter 11.5 (commencing with Section 7512) of Division 3 of the Business and Professions Code, while acting within the course and scope of their employment.

(e) In order to determine whether or not a firearm is loaded for the purpose of enforcing this section, peace officers are authorized to examine any firearm carried by anyone on his or her person or in a vehicle while in any public place or on any public street in an incorporated city or prohibited area of an unincorporated territory. Refusal to allow a peace officer to inspect a firearm pursuant to this section constitutes probable cause for arrest for violation of this section.

(f) As used in this section, "prohibited area" means any place where it is unlawful to discharge a weapon.

(g) A firearm shall be deemed to be loaded for the purposes of this section when there is an unexpended cartridge or shell, consisting of a case which holds a charge of powder and a bullet or shot, in, or attached in any manner to, the firearm, including, but not limited to, in the firing chamber, magazine, or clip thereof attached to the firearm; except that a muzzle-loader firearm shall be deemed to be loaded when it is capped or primed and has a powder charge and ball or shot in the barrel or cylinder.

that person for lawful purposes connected with that business, from having a loaded firearm within the person's place of business, or any person in lawful possession of private property from having a loaded firearm on that property.

(i) Nothing in this section shall prevent any person from carrying a loaded firearm in an area within an incorporated city while engaged in hunting, provided that the hunting at that place and time is not prohibited by the city council.

(j) (1) Nothing in this section is intended to preclude the carrying of any loaded firearm, under circumstances where it would otherwise be lawful, by a person who reasonably believes that the person or property of himself or herself or of another is in immediate, grave danger and that the carrying of the weapon is necessary for the preservation of that person or property. As used in this subdivision, "immediate" means the brief interval before and after the local law enforcement agency, when reasonably possible, has been notified of the danger and before the arrival of its assistance.

(2) A violation of this section is justifiable when a person who possesses a firearm reasonably believes that he or she is in grave danger because of circumstances forming the basis of a current restraining order issued by a court against another person or persons who has or have been found to pose a threat to his or her life or safety. This paragraph may not apply when the circumstances involve a mutual restraining order issued pursuant to Division 10 (commencing with Section 6200) of the Family Code absent a factual finding of a specific threat to the person's life or safety. It is not the intent of the Legislature to limit, restrict, or narrow the application of current statutory or judicial authority to apply this or other justifications to defendants charged with violating Section 12025 or of committing other similar offenses.

Upon trial for violating this section, the trier of fact shall determine whether the defendant was acting out of a reasonable belief that he or she was in grave danger.

(k) Nothing in this section is intended to preclude the carrying of a loaded firearm by any person while engaged in the act of making or attempting to make a lawful arrest.

All funds appropriated to the Office of Criminal Justice Planning for the purposes of this chapter shall be administered and disbursed by the executive director of the office in consultation with the California Council on Criminal Justice, and shall to the greatest extent feasible be coordinated or consolidated with federal funds that may be made available for these purposes.

(b) The executive director is authorized to allocate and award funds to cities, counties, school districts, county offices of education, or any consortium thereof, and community-based organizations in which gang violence suppression programs are established in substantial compliance with the policies and criteria set forth in this chapter.

All programs funded pursuant to this chapter shall work cooperatively to ensure the highest quality provision of services and to reduce unnecessary duplication. Funds disbursed under this chapter shall not supplant local funds that would, in the absence of the Gang Violence Suppression Program, be made available to support the activities set forth in this chapter. Funds awarded under this program as local assistance grants shall not be subject to review as specified in Section 10295 of the Public Contract Code.

(d) The executive director shall prepare and issue written program and administrative guidelines and procedures for the Gang Violence Suppression Program, consistent with this chapter. (f) Criteria for selection of district attorney's offices, local law enforcement agencies, county probation departments, school districts, county offices of education, or any consortium thereof, and community-based organizations to receive gang violence suppression funding shall be developed in consultation with the Gang Violence Suppression Advisory Committee whose members shall be appointed by the Executive Director of the Office of Criminal Justice Planning, unless otherwise designated.

(g) The Gang Violence Suppression Advisory Committee shall be composed of five district attorneys; two chief probation officers; two representatives of community-based organizations; three attorneys primarily engaged in the practice of juvenile criminal defense; three law enforcement officials with expertise in gang-related investigations; one member from the California Youth Authority Gang Task Force nominated by the Director of the California Youth Authority; one member of the Department of Corrections Law Enforcement Liaison Unit nominated by the Director of the Department of Corrections; one member from the Department of Justice nominated by the Attorney General; the Superintendent of Public Instruction, or his or her designee; one member of the California School Boards Association; and one representative of a school program specializing in the education of the target population identified in this chapter.

Five members of the Gang Violence Suppression Advisory Committee appointed by the Executive Director of the Office of Criminal Justice Planning shall be from rural or predominately suburban counties and shall be designated by the Executive Director as comprising the Rural Gang Task Force Subcommittee.

The Rural Gang Task Force Subcommittee, in coordination with the Gang Violence Suppression Advisory Committee and the Office of Criminal Justice Planning, shall review the Gang Violence Suppression Program participation requirements and recommend changes in the requirements which recognize the unique conditions and constraints that exist in small rural jurisdictions and enhance the ability of small rural jurisdictions to participate in the Gang Violence Suppression Program.

(h) The Director of the Office of Criminal Justice Planning shall designate a staff member in the Gang Violence Suppression Program to act as the Rural Gang Prevention Coordinator and to provide technical assistance and outreach to rural jurisdictions with emerging gang activities. It is the intent of the Legislature that compliance with this subdivision not necessitate an additional staff person.

(i) This section shall be operative January 1, 1994.
